Dear Owner:

After a comprehensive search process, the ROR POA Board has selected Investment Management Company (IMC) to provide property management services for Red Oak Ranch. The contract with IMC started July 1, 2020 and overlaps with Tower Management Services for two weeks to provide a smooth transition and a productive exchange of our records.

IMC has over 31 years of property management experience with communities like ours and is looking forward to our partnership. They have identified Kerrie Stone to be the ROR POA Managing Agent. She recently relocated to the Houston area and is committed to coming up-to-speed quickly on our property owners and history.

As part of the transition process, we are confirming contact information. Please email Kerrie your preferred email addresses, phone numbers, and USPS address, if it is different from your ROR property address.

Kerrie's email is: kstone@imcmanagement.net and her phone number is listed above. She's available to meet you in IMC's office on Timberloch Place in the Woodlands, however, you will need to make an appointment.

Finally, a sincere 'thank you' to Tonya Torres! We are excited for her new opportunities and wish her safe travels and much personal success in her new ventures!

Regards,

Red Oak Ranch Property Owners Association, Inc.
