Section 3.03 Candidates for Election to the Board

With respect to any position on the Board of Directors to be filled by a vote of the Members, all Members have the right to run for election to the Board, except for limitations identified in Section 3.01 above. Each year, prior to the AGM, the Association must send notice to all Members of the number of positions on the Board to be filled by election at the upcoming AGM. The notice must specify a date by which a Member must submit their name as a candidate for election to the Board; the date may not be earlier than the tenth (10th) day after the date the Association sends the notice.

Members interested in running for a position shall receive an application provided by the Board, including a deadline for application submission. By that deadline, eligible candidates must complete and submit, in writing, the application provided by the Board in order to be placed on the ballot. Nominations for election to the Board are not permitted from the floor at the AGM or Special Meeting. "Write-ins" on the ballot shall not be counted.

Each year, the Association will provide notice of the AGM, as required by law. All Members who meet the stipulated deadlines will be candidates whose names and biographical information will be included in the notice of the AGM and on the absentee ballot provided by the Board. Candidates who do not apply before the deadline will not be considered. The Board may choose, but is not obligated, to extend the deadlines for candidates to apply. Candidates are not required to attend a meeting in order to apply or be successfully elected.

Thank you for your interest in serving our Community!
